## GENERAL OFFENSE HARDCOPY

Incident Date 05/17/2019

(DISORDERLY CONDUCT)

[REDACTED]

Upon arrival to the east bank LRT I saw a group of Somali juveniles running away from officers traveling westbound on Washington Ave SE and turn southbound between Moos Tower and Molecular and Cellular Biology building. I ran after them and heard officers yelling at the juveniles to stop. I turned onto Delaware St SE where officers had several Somali juveniles lying prone with their arms spread out.

I placed a male, later identified as [REDACTED] in handcuffs and performed a search incident to arrest. All other parties were placed in handcuffs and detained by other officers that had arrived on scene.

I instructed [REDACTED] to sit on the curb and requested his name and date of birth. [REDACTED] provided the name [REDACTED] also told me that his mother's name was [REDACTED] and that her phone number was [REDACTED]

I searched for the name [REDACTED] provided in PIMS and no record was found. My partner, Officer Williams, called the phone number [REDACTED] provided for his mother. The person who answered the phone said she didn't have a son, nor did she know [REDACTED] (See Ofc. Williams supplement). A Minneapolis Police Officer recognized [REDACTED] as a person who was wanted on a PC pickup and informed me of his actual identity.

Through further investigation, it was found that [REDACTED] and [REDACTED] were the two individuals brandishing metal pipes towards others on the light rail platform. Dispatch sent recorded images of the incident on the east bank LTR which showed [REDACTED] holding a metal pipe and handing it to [REDACTED]. [REDACTED] and [REDACTED] were placed in the rear of a squad car and transported to UMPD by Officer Brackett. All other parties that had fled on foot and were detained were ultimately released from police custody at the scene.

I issued a citation [REDACTED] to [REDACTED] for disorderly conduct as he engaged in offensive, abusive, boisterous and noisy conduct tending to arouse alarm, flee police as he attempted to evade or elude peace officers, who were acting in the lawful discharge of official duty, by means of running, and false information to police as he provided a fictitious name and false date of birth.

I issued a citation [REDACTED] to [REDACTED] for disorderly conduct as he engaged in offensive, abusive, boisterous and noisy conduct tending to arouse alarm, and flee police as he attempted to evade or elude peace officers, who acting in the lawful discharge of official duty, by means of running.

began walking southbound across Washington Av SE and observed several Somali males running westbound and off of the LRT platform. I began chasing the group and immediately began shouting "police stop" multiple times.

The group ran southbound from the platform up the stairs to the north side of Moos Tower (515 Delaware St SE). The group continued running southbound to the west side of Moos Tower where they ran between Moos Tower and Molecular and Cellular Biology (MCB; 420 Washington Av SE). I aired to dispatch the group was running southbound on the west side of Moos Tower.

I continued to yell "police stop" as I chased after the group. As I ran southbound between Moos Tower and MCB, I observed the group had changed their course of direction and were running eastbound around the southwest corner of Moos Tower. I continued to yell "police stop."

I caught up to the group at the vehicle turn around on the south side of Moos Tower/north side of Phillips-Wangensteen Building (PWB; 516 Delaware St SE) where I again yelled "police stop." The group stopped running and I instructed all parties that had been running to lay down on the ground with their stomachs on the ground and their arms extended out to their sides.

I aired to dispatch I had nine people proned out on the ground at the PWB turnaround.

As other officers began arriving at the turnaround I performed a more accurate count of the number of individuals laying on the ground and observed there to be seven Somali males lying on the ground. I aired this updated information to dispatch that there were seven people proned out on the ground. I was standing over two of the males and had observed the five other people had been placed in handcuffs. I then placed handcuffs on each of the two males I was standing over and informed both of them they were under arrest for fleeing from police on foot. The seven individuals, for the purpose of avoiding arrest, detention, and investigation attempted to evade myself, a police officer acting in the lawful discharge of official duties, by means of running (MSS. 609.487s.6).

Once all seven males had been placed in handcuffs, officers began identifying the seven Somali males and further investigation began to determine who had been brandishing weapons on the light rail platform.

Through further investigation, it was determined that [REDACTED] and [REDACTED] were the individuals that had been brandishing metal pipes on the EBLRT (see Officer Carlson supplement).

I placed both [REDACTED] in the rear seat of squad #1706 so they could be transported to the Juvenile Supervision Center (JSC) as I was not yet working out of a squad car.

[REDACTED] had been identified by a probable cause pickup out of MPD Precinct 1. [REDACTED] were transport to the UMPD while I obtained a vehicle so I could assist with paperwork at JSC. While at the UMPD, I removed the

I verbally informed [REDACTED] he was under arrest for fleeing on foot and disorderly conduct.

I contacted a MPD Precinct 1 sergeant and it was determined the probable cause pickup for [REDACTED] had been resolved and had not yet been taken out of the MPD Daily Information Brief.

I followed squad 1706 in an unmarked squad car to JSC where I assisted with bringing [REDACTED] into the center where they were left in under the care of JSC staff.
