intercepted the Arrive home and said he would like to interview her.

"I got news for you," the reporter said. "I investigated Lucille Ball and she's a Communist."

"Who is this 'Whore'?" she asked. "I don't know who she is, but she's a Communist."

Lucille Ball, who had just returned from a trip to Europe, said she had never met the woman in question. She said she had never met the woman in question. She said she had never met the woman in question.

Asked why, then, the investigation was so thorough, she said she had never met the woman in question. She said she had never met the woman in question.
